

**AIR LINE TECHNICIANS**  
ASSOCIATION

# ALTA Built for the Denver Mechanics Class and Craft

**Denver International Airport - 75% of the Line AMTs in Denver signed ALTA election authorization cards.** These Certified Airmen recognize the importance of having a Union like ALTA that will represent the Mechanics Class and Craft.

***Denver is one of our senior stations and these Line Technicians recognize the importance of the jobs they perform everyday repairing and releasing hundreds of aircraft for flight.***

***The Mechanics Creed - Upon my honor I swear that I shall hold in sacred trust the rights and privileges conferred upon me as a certified mechanic. Knowing full well that the safety and lives of others are dependent upon my skill and judgment.***

**The Technicians in Denver** know they deserve better representation than the Teamsters, [a truckers union](#) that has no place in the aviation industry.

**The [Teamsters are a failure](#) in the Airline Industry.** The contracts and letters of agreement they have signed at United Airlines over the last 8 years clearly show they cannot and [do not represent the membership at United Airlines](#). They have given up contract language and benefits that many Technicians fought for over the past 30 years at United Airlines.

**The AMTs at American Airlines and US Airways rejected the Teamsters**

The Teamsters organizing campaigns and lies were rejected by AMR and [US Airways](#), after they saw that the Teamsters union and its Locals had destroyed our contract at United Airlines.

**Now is the Time for every Line and Base Technician** to sign an ALTA Election Card to form our own union like ALPA. A union to represent the Technician membership at United Airlines and our profession. The AMTs in Denver have always supported their Profession.

**75% of the AMTs in Denver know that their future depends on the actions they take today** to make their profession stronger. Building a union that they control is important to our profession and future.

**Take the time to sign your card today**, see your local organizer and help us build a better union.

ALTA Representing the Technicians who help maintain the aircraft, ground equipment, jetways and maintenance bases at United Airlines. We deserve a union that will be there for us every day to promote the work we do. Visit our website at [www.altaunited.com](http://www.altaunited.com).
