## SFO-LAX Locals spend United SFO Technicians Dues money leaving nothing for the SFO membership

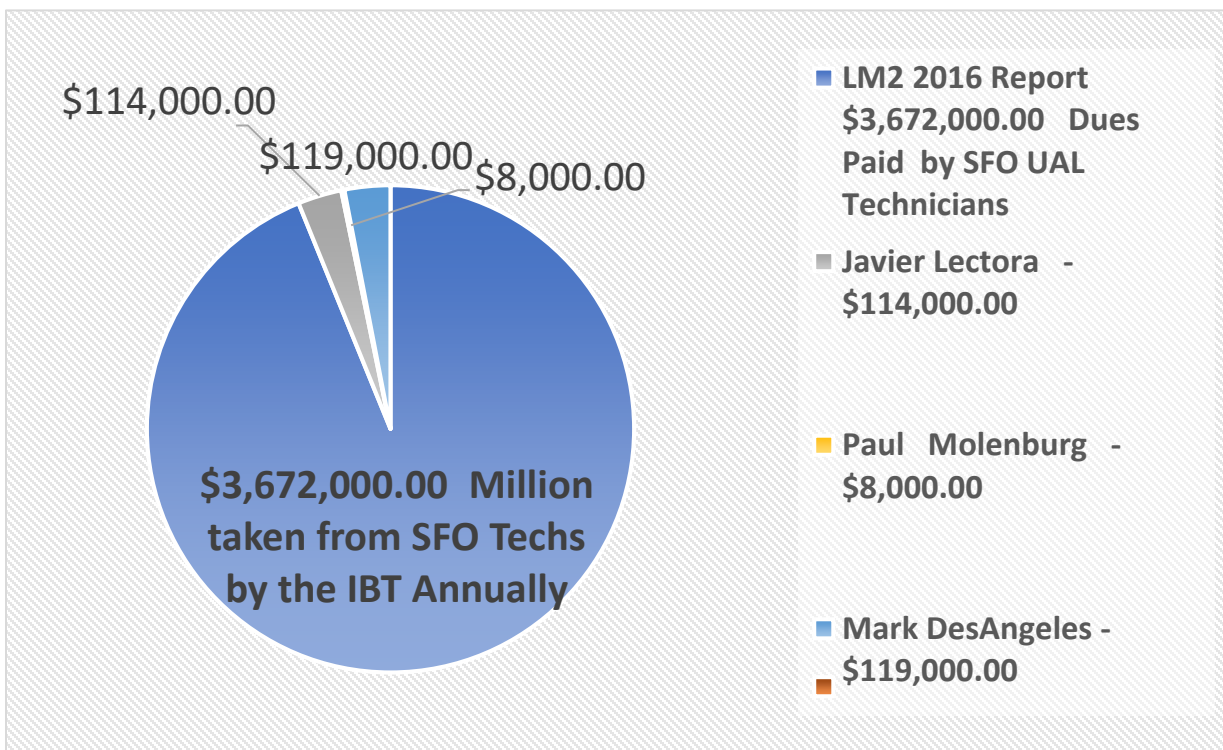

**94% of the \$3.6 Million of your Dues is spent on everything BUT United Techs.**

**Example** Paul Molenburg hasn't held an appointed union position at SFO for years but in 2016 he received \$8,000.00 as an SFO 856 Business Agent. **Does anyone know why?**

We reviewed the [2016 SFO 856 LM2](#) and **only \$241,000.00** out of \$3.6 Million was paid to 3 IBT appointed UAL Business Agents. **Where is the rest of your \$3.6 Million spent?**

**Millions wasted and No Money for SFO membership, Shop Stewards, or Area Reps.**

[Check the LM2](#), With this type of empty representation we will be taking more concessions in 6 years with the Teamsters.

***UAL Techs pay the Teamsters \$1200.00 a year and get a \$1.00 calendar.***

With our own Union ALTA we will have MILLIONS in dues controlled by the SFO Membership for Union Negotiations and Legal Representation for our Technicians. **For over 50 years United Technicians ran their own union in SFO, they can do it again.**
