

UNION CORRUPTION - Teamsters Benefits Director John Slatery under investigation for rigging Healthcare bids

In 2015 the Teamsters tried to replace our United Company Medical plans with TEAMCARE an expensive [Mandatory IBT union plan Teamcare](#).

Teamsters [Salesmen](#) were given unlimited access to UAL property to sell their Central States Teamcare Plan. Why were they given access to Company property and Tens of thousands of United work hours lost to sell their more expensive TEAMCARE PLAN?? Who would benefit? *No one asked for Teamcare and no one wanted it.*

John Slatery the Teamsters Benefit Department Director met with United Senior Management several times during United IBT Technician negotiations to switch our Medical Plan to Teamcare. [Cheiron](#) the same people involved in the failed "IBT Industry Reset" and the "IBT VEBA" even promoted Teamcare in negotiations... Do you see the pattern yet?
