Hearing Place: Courtroom 11 (19th Floor)

DECLARATION OF VICTOR H. DRUMHELLER

Pursuant to 28 U.S.C. § 1746, I hereby declare as follows:

1. I make this declaration in support of Plaintiffs' Opposition to Defendants' - United Airlines, Inc., United Airlines Holdings, Inc., and United Airlines Holdings' Administrative Committee - Motion to Dismiss Plaintiffs' Second Amended Complaint, in the above-captioned matter, based on my personal knowledge or, where specified, on information and belief based on documents and statements that I believe to be true and accurate.

2. Attached hereto as Exhibit A is a true and correct copy of the grievance I filed regarding LOA 05-03M. In preparation for filing the Plaintiffs' Second Amended Complaint, I requested a copy of my grievance from Chief Steward, Thomas Reid, and he provided me with this copy.

3. To my knowledge my grievance has never been withdrawn or closed and therefore, remains "open" as of the filing of this declaration.

4. I have first-hand knowledge Vincent Graziano, a Business Agent for Local 210 who acts at the direction of George Miranda, stated grievances would not be accepted on LOA 05-03M.

5. I requested the status of my grievance many times and received no answer or was told there was "no change" in its status. I was also told "Dulles is not getting involved in this, we will let San Francisco figure it out. Stop filing grievances." I have never heard of any other grievance from my shop going to another local to be decided.

6. I tried on multiple occasions to get Vincent Graziano to do something about my grievance and Graziano would just laugh and say, "ain't happening."

7. I am aware of other co-workers who tried to file grievances on this exact issue but the grievances were refused or their grievances were thrown out.

1 8. Attached hereto as Exhibit B is a true and correct copy of Teamsters' Local 781 Bylaws
2 I was provided upon a written request I made for them.

3 9. Attached hereto as Exhibit C is a true and correct copy of Teamsters' Mechanics Dispatch
4 Update stating Defendant George Miranda is on the Teamsters' Airline Division Advisory Board.
5

6 I declare under penalty of perjury the foregoing is true and correct.

7 Executed this 29 day of December, 2020, in Bunker Hill, West Virginia.

8 Respectfully submitted:

Local Union, an officer may be subject to summary removal from office, in accordance with Article XIX, Section I(f) of the International Constitution.

(C) The right to assume office or hold office or position in the Local Union, as distinguished from accrued or vested benefits, shall never be deemed a property right, but shall be a personal privilege and honor only. Any action taken by an officer in good faith and within the scope of his authority and power under these Bylaws shall not be the basis for any personal liability against such officer.

(D) All officers of the Local Union must, as a condition of holding office, execute all necessary forms required by law to be filed with any federal or state agency either for and in behalf of the Local Union or as an officer or employee thereof, but accidental default shall not be considered a violation of the duty imposed by this section.

(E) All officers in the performance of their duties shall adhere to the terms of these Bylaws and the International Constitution.

(F) The officers, Business Agents, other representatives of this Local Union, and Stewards occupy positions of trust in relation to the Local Union and its members as a group and are therefore, accountable to the membership with respect to the performance of their duties in handling funds and property of the Local Union. The failure or refusal by an officer, Business Agent, other representative of this Local Union or Steward, upon demand of the Local Union Executive Board or of any individual member for good cause, to render a proper and adequate accounting or explanation respecting the performance of his duties in handling

funds and property of the Local Union shall constitute a ground for charges under Article XIX of the International Constitution on which trial shall be held under the provisions set forth in Section 21 hercof.

(G) The elected officers of this Local Union shall be delegates to other subordinate bodies and Conventions thereof, and all other conventions by virtue of their office or elected position.

The Principal Executive Officer shall have first priority. After the Principal Officer, the remaining delegates shall be selected from the salaried elected officers and elected Business Agents (if any) in the following priority: President, Secretary-Treasurer, Vice President, Recording Secretary, Trustee in order of number of votes received in the most recent election, elected Business Agents in order of number of votes received in the most recent election.

SECTION 16

ALLOWANCES, EXPENSES AND AUTOMOBILES

(A) Allowances

Recognizing that the officers and representatives of this organization do not work regularly scheduled hours and receive no compensation for overtime or premium pay; also recognizing that such individuals are required to pay varying amounts for lodgings and meals depending upon the city to which they travel, which amounts are sometimes less, but more often more than the allowances given them; and recognizing that they must participate in cultural, civic, legislative, political, fraternal, educational, charitable,

social and other activities in addition to their specific duties as provided in the Constitution and these Bylaws, that such activities benefit the organization and its members and that the time spent in such activities is unpredictable and unascertainable such officers and representatives may be granted an allowance (both for in-town and out-of-town work, respectively, which in the case of out-of-town work shall include hotel and meal expenditures) in such amount (daily, weekly, or monthly) as the Local Union Executive Board may determine and there shall be no need to make a daily or other accounting to the Local Union membership for such allowance.

In addition to the allowances set forth above, all officers and employees may be reimbursed for, or credit provided for, all other expenses incurred in connection with their activities.

(B) Expenses

When a representative of the organization is engaged in activities in the interest of or for the benefit of the organization and its members within the scope of his authority, the labor organization shall pay the expenses incurred therein, or reimburse the representative upon receipt of itemized vouchers from him or the supplier of such services, provided that the representative does not receive an allowance for these expenses or reimbursement from any other source.

(C) Automobile Allowance

The Local Union may provide its officers or representatives with automobiles upon authorization of the membership, or in lieu thereof, they may be paid an allowance

for use of their automobiles in such amount or at such rate as shall be approved by the Local Union Executive Board. In such instances where the Local Union provides an automobile, title to the automobile shall remain at all times in the name of the Local Union. It is recognized that such officers or employees are required to be on instant call at all times, may be required to garage such automobiles and are responsible for their safeguarding. Accordingly, for the convenience of the Union and as partial compensation for such additional responsibilities, such officers shall be permitted private use of such automobiles on a round-the-clock, continuous basis, including private use when the automobiles are not required on Union business.

(D) Benefits

The Local Union Executive Board may from time to time provide the terms and conditions of employment for officers, employees and representatives of this organization including, but not limited to, such fringe benefits as vacations with pay, holidays, sick leave, time off for personal leave, and in connection therewith, any disability or sickness, health and welfare, retirement and severance benefits and activities, and facilities relating thereto, and may from time to time provide changes therein, as well as additional compensations and allowances. Any such benefit adopted by the Executive Board shall be specifically set forth in the minutes of the Executive Board meetings. The Local Union Executive Board or the principal executive officer is authorized to make any Local Union or employee advances on his salary and/or vacation pay, within the restrictions of applicable law.

SECTION 17

NOMINATIONS AND ELECTIONS OF OFFICERS: RULES

(A) Time of Nominations and Elections

Meetings as hereinafter established for nominations of officers shall be in November subject to the provisions of the International Constitution. Elections shall be held not less than thirty days after nominations have been closed. The Local Union Executive Board shall set the time and place of nominations and elections and such time and place and other relevant arrangements shall be convenient to the greatest possible attendance by all the members.

The term of office of Local Union officers shall not be for a lesser period than three (3) years, except where necessary to bring the terms of office of all officers in concurrence or in order to provide for a schedule of nominations and elections in accordance with Article XXII, Section 4(a) of the International Constitution.

(B) Notice of Rules, Nominations, Meeting and Election

At least twenty (20) days prior to the date of the nomination meeting, specific notice of the date, time and place of the nominations meeting and the offices to be filled shall be mailed or shall be published in any Local Union publication mailed to the membership (except that notice of nominations and election may be combined); each member shall be advised in such notice that the election rules are set forth in the Bylaws and International Constitution which are available upon request.

(C) Eligibility of Members

- (1) Every member whose dues are paid through the month which is prior to the month in which the nominations or election is held shall have the right to nominate, vote for, or otherwise support the candidate of his choice. No member whose dues have been withheld by his employer for payment to the Local Union pursuant to his voluntary authorization provided for in a collective bargaining agreement shall be declared ineligible to nominate, or vote for, a candidate for office in the Local Union, by reason of a delay or default in the payment of dues by the employer of the Local Union.
- (2) To be eligible for election to any office in this Local Union, a member must be in continuous good standing in this Local Union and actively employed at the craft within the jurisdiction of the Local Union for a period of twenty-four (24) consecutive months prior to the month of nomination for said office, and must be eligible to hold office if elected. "Continuous good standing" means compliance with the provisions of Article X, Section 5 of the International Constitution concerning the payment of dues for a period of twenty-four (24) consecutive months, together with no interruptions in active membership in this Local Union because of suspensions, expulsions, withdrawals, transfers, or failure to pay fines or assessments. Provided, however, that if a member on withdrawal deposits his card in the month immediately following the month for

which it was effective and pays his dues for both months in a timely manner as provided in Article X, Section 5(c), such period of withdrawal shall not be considered a break in continuous good standing in the Local Union.

Payment of dues after their due date shall not restore good standing status for such month or months in computing the continuous twenty-four (24) months good standing status required by this Section as a condition of eligibility for office. No member shall lose his good standing status for any month in which his dues have been withheld by his employer for payment to the Local Union pursuant to his voluntary authorization provided for in a collective bargaining agreement by reason of delay or default in the payment of such dues by the employer to the Local Union. However, a member on dues checkoff whose employer fails to make a prior deduction during any month in which the member has earnings from work performed during the month from which the dues could have been deducted, or has earnings from which the employer normally makes dues deduction pursuant to the contract or established practice, shall not lose good standing status for that month. In such an event, the Local Union shall notify the member of his employer's failure and payment shall be made by the member within thirty (30) days of said notice in order to retain good standing status.

Failure of a Local Union to issue a withdrawal card shall not be conclusive proof that a nominee was actively employed at the craft within the jurisdiction of the Local Union during the required twenty-four (24) month period prior to his nomination if a challenge is made based on evidence to the contrary, in which event a determination shall be made on the facts presented. Periods of unemployment during the twenty-four (24) month period preceding the nomination shall not be considered a break in active employment at the craft within the jurisdiction of the Local Union if the nominee was actively seeking and available for employment in the craft, and not working outside the craft during such periods of unemployment.

Members in a reserve component of the military or National Guard who are called to active service lasting more than thirty (30) days but not more than twenty-four (24) consecutive months, may have their eligibility determined in accordance with Article II, Section 4(a)(4) of the International Constitution.

(D) Nomination Procedures

- (1) Nominations shall be held in accordance with provisions of Section 17(A) above at a general or special membership meeting or meetings or at a meeting or meetings of each separate division, craft or place of employment authorized by the Local Union Executive Board to hold separate meetings. If nominations are held at separate divi-

sion, craft or place of employment meetings, the members may nominate candidates from their own or any other division, craft or place of employment for election to Union office. Nominations and the conduct of the election and related questions shall be the first order of business at the nomination meeting and complete minutes shall be kept of that business. Nothing in this provision shall prohibit the holding of special meetings, at which meeting nominations and the conduct of the election shall be the sole order of business.

- (2) Nominations shall be made at the meeting by a member in good standing other than the nominee by motion seconded by a member in good standing other than the nominee. Candidates are advised to verify the good standing status of their nominator and seconder prior to the nomination meeting.
- (3) Every member eligible to nominate candidates shall be entitled to nominate or second the nomination of one (1) candidate, but only one (1), for each office open. Prospective candidates may not nominate themselves nor second their own nomination.
- (4) Nominations shall not be closed until a call for further nominations has been made three (3) times by the Chair without further nomination being made.

- (5) If an election committee is used, after nominations, each candidate for the office of President, Secretary-Treasurer and Recording Secretary may designate one (1) member for service thereon who shall thereupon be appointed by the President.
- (6) In the event only one (1) candidate is nominated for any office, no election shall be conducted for such office unless required by law, and such unopposed candidate shall be declared elected by acclamation at the nominations meeting, effective as of the conclusion of the term of the incumbent.
- (7) A member otherwise eligible to run for office shall become a bona fide candidate only upon his nomination for office and acceptance of the nomination. To be eligible to nominate and otherwise participate in the nomination meeting, a member must have his dues paid through the month prior to the month in which the nomination meeting is held. Candidates must accept nominations at the time made either in person or, if absent, in writing, and may accept nomination for only one office. An elected officer may also be an appointed Business Agent. After a candidate has accepted nomination, he may not, under any circumstances, revoke his acceptance after the ballots are printed, except where as a result of the revocation the remaining candidate is unopposed.
- (8) If any nominee should die before the election, his name shall nevertheless appear on the ballot. In the event such name shall receive the requisite

number of votes to be elected, the position shall then be filled in the same manner as vacancies are filled when they occur during a term of office as provided in Section 14(A)(6).

- (9) If there is only one (1) nominee for an office and he is finally ruled ineligible after the nomination meeting, then the office shall be filled by appointment by the newly-elected Local Union Executive Board.

(E) Elections

- (1) After the nominations meeting, but not less than twenty (20) days prior to the election, specific notice of the date, time and place of the election and of the offices to be filled shall be mailed to each member at his last known home address, if no notice has previously been sent. The election shall be held at such place or places and at such time, not earlier than thirty (30) days after the nomination meeting, as may be designated by the Local Union Executive Board. The election shall be by secret ballot to be placed in boxes, unless the Local Union Executive Board has authorized the use of some standard type of election mechanical device insuring a secret ballot by machine vote or unless the election is conducted by mail ballot. If a walk-in ballot is utilized, the election box or boxes or machine or machines will be located at a place or places designated by the Local Union Executive Board. Balloting shall be open for a period not less than six (6) hours during the period between the hours of 8:00a.m.

and 8:00p.m. It shall be the duty of the Local Union Executive Board to provide safeguards for the honest and fair conduct of such election.

- (2) Voting shall be conducted by secret ballot among the members in good standing. There shall be no proxy voting. Each such member shall be entitled to one vote. The Local Union Executive Board shall have the authority to establish all rules and regulations for the conduct of the election to supplement the provisions of the International Constitution and the Local Union Bylaws, including the authority to use mail referendum balloting or absentee balloting without membership approval. The General President shall also have the authority to direct the use of mail referendum balloting or absentee balloting without membership approval, and action of the Local Union Executive Board to the contrary notwithstanding. Absentee voting by mail shall be permitted only upon application of members who are ill, or absent from the city or town where they are normally employed at the time of voting, because on vacation or on employment tour of duty. The Local Union Executive Board may permit additional reasons for absentee balloting if they so desire. Application for absentee ballots shall be made to the Secretary-Treasurer not less than five (5) days prior to the date set for election and shall contain the grounds therefor. Absentee ballots shall be valid only if they are received by noon of the day on which the polls close. Absentee voting shall be conducted with all proper safeguards for secrecy of the ballot.

(3) Each candidate, at his own expense, shall have the right to have an observer other than himself at each polling place and at the counting of the ballots who must be a member of the Local Union in good standing. Observers may challenge the eligibility of voters, and all challenged ballots shall be sealed in a blank envelope which in turn shall be sealed in an envelope with the name of the voter thereon. If the votes are challenged, such challenge shall be made in writing at the time of the election with specific reasons given for such challenge. Challenges shall be investigated to determine their validity if the challenged ballots are sufficient in number to affect the result of the election. The blank envelope containing the ballot shall not be opened until such time as all challenges have been ruled upon. Upon request of any candidate, deemed reasonable by the Election Committee, voting machines, if used, shall be checked for proper operation. Candidates shall have the right to be present at the counting of the ballots.

(4) To be eligible to vote in the election, a member must have his dues paid up through the month prior to the month in which the election is held and must still be an active member on the day of the election. The candidate for each office who receives a plurality of the votes cast for the office shall be elected thereto, except in the case of Trustees, in which case the three (3) candidates receiving the highest number of votes shall be elected. In the event of a tie vote, the candidates shall resolve such tie by lot, except in the case of

a tie for the office of principal officer of the Local Union, in which case there shall be a reelection between only the candidates who have tied for the highest number of votes and only for that principal office. The officers-elect may be installed at the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. The officers-elect shall take office at the end of the term of the incumbent officers, regardless of the date of installation, which installation may take place at either the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. Except as provided above, no runoff election shall be held.

- (5) No officer may run for another office in this Local Union, the term of which covers part of his current term, unless he resigns from his current office, effective upon certification of the results of the election. He shall announce his intention to resign not later than fifteen (15) days prior to the nomination meeting and will not be eligible for appointment to the vacancy created by his resignation. No officer may hold another office in any other Local Union (other than a trustee Local Union) during his term of office, except by authorization of the General President and the Local Union involved.
- (6) There shall be no write-in candidates and any ballot containing a write-in candidate shall be void insofar as the vote for that office is concerned

and such ballot for that office shall not be considered as having been cast in determining the vote for that office.

- (7) During the period between the date of election and the end of the term of office no extraordinary expenditures of Local Union funds shall be made and no action shall be taken that commits the Local Union to make such extraordinary expenditures in the future, without the approval of the officers-elect and the membership.

An expenditure shall be considered extraordinary if it falls within the definition set forth in Article XXII, Section 4(e) of the International Constitution. In the event the election results in a new complement of officers, the outgoing officers must comply with the restrictions in Article XXII, Section 2(b) of the International Constitution regarding entering into contracts for personal services.

(F) Duties of Secretary-Treasurer in Connection with Nomination and Election

- (1) The Secretary-Treasurer shall at least twenty (20) days prior to the holding of the nominations give notice, as above provided, to the membership of the time, place and date and the offices for which nominations will be made in order in connection with the election. Such notice shall be given in the manner determined by the Local Union Executive Board, consistent with these rules.

- (2) The Secretary-Treasurer shall review the eligibility to hold office of any member at such member's request and shall make a report on the eligibility of that member within five (5) days thereafter to any interested member. After the nomination meeting, the Secretary-Treasurer shall review the eligibility of all candidates, their nominators and seconders and certify their eligibility to run for office. The Secretary-Treasurer shall immediately notify all nominees of their eligibility status and shall specifically notify any disqualified nominee of the reason for said disqualification.
- (3) Unless a joint nomination-election notice was sent, the Secretary-Treasurer shall give written notice to the membership of the Local, at least twenty (20) days prior to any election date, of the time, place, date, hours, and number of offices upon which voting shall be held, by mailing such notice to the members' last known home address.
- (4) Upon reasonable request of any declared and eligible candidate for office, the Secretary-Treasurer shall arrange for the distribution of any campaign literature by mail, or otherwise, provided that such candidate pays the reasonably estimated cost involved in advance. The Secretary-Treasurer shall not delay the distribution of any candidate's mailings. Any reduced rate mailing permit available to any candidate shall be made available to all candidates on an equal basis. The Secretary-Treasurer may require that all campaign literature shall be presented to him at the principal office of

the Local Union no later than a reasonable number of days prior to the election and all candidates shall be given reasonable notice of that cutoff date. The Secretary-Treasurer may, where in his judgment it appears necessary, provide for a consolidation of such distribution in which case the cost of such distribution shall be assessed upon the candidates involved on a pro rata basis.

- (5) The Secretary-Treasurer, to the extent required by law, shall upon reasonable notice make available for inspection by any bona fide candidate the membership list of the Local Union covered by union security agreements once within thirty (30) days prior to the election date. No candidate shall be permitted by the Secretary-Treasurer to copy any names or addresses of employees shown on such list and such inspection must be made in the presence of the Secretary-Treasurer or his designee.
- (6) The Secretary-Treasurer shall retain copies of all requests for distribution for campaign literature and copies thereof, shall make a record of the date the literature was distributed, the cost thereof and the amount received therefore, and shall also retain a copy of the notices of nominations and of the election, a copy of the ballot, the official tally sheet submitted by the tellers, all ballots, ballot return envelopes and such other records including election rules as shall relate to the conduct of the election. All copies and records shall be retained for one year.

(G) Nomination and Election Protests

- (1) Any member who desires to challenge a ruling on eligibility to run for office shall appeal, in writing within forty-eight (48) hours after receipt of the ruling to the General President or his designee. The decision of the General President shall be appealable to the General Executive Board pursuant to the provisions of Article VI, Section 2 of the International Constitution. In the event there shall be any protest or charges made concerning an election by any member prior to the holding of the election, such protest or charge shall be made in writing by such member within forty-eight (48) hours of his knowledge of the event complained of and shall specify the exact nature and specifications of protest. Such protest or charges shall be made to the Local Union Secretary-Treasurer who shall refer the protest or charges to the Local Union Executive Board for disposition. The decision of the Local Union Executive Board shall be appealable to the General President, pursuant to the provision of Article VI, Section 2 of the International Constitution.
- (2) In the event there shall be any protest or charge by any member concerning the conduct of the election after the election has been held, such protest or charge shall be made in writing by such member within seventy-two (72) hours setting forth the exact nature and specifications of the protest and his claim as to how it has affected the outcome of the election. Such protest or charge shall be made to the Secretary-Treasurer of the Joint

Council, or State Conference, if there is no Joint Council, with which the Local Union is affiliated and the protest or charge shall be referred to the Executive Board for disposition. The decision of the Executive Board shall be appealable to the General Executive Board for final decision, which is not appealable to the Convention.

SECTION 18

DUES AND INITIATION FEES

(A) The minimum monthly dues of this organization shall be twenty-five dollars (\$25.00). However, the basis of the formula set forth in Article X, Section 3 (d) of the International Constitution shall prevail with respect to two and one-half times the hourly rate. In no event shall monthly dues be less than the minimum established in the International Constitution, to be considered a member in Good Standing.

(B) Initiation and reinitiation fees for membership in this organization shall be as follows:

A member earning up to \$250.00 per week - \$50.00 Initiation Fee
A member earning up to \$350.00 per week - \$100.00 Initiation Fee
A member earning up to \$450.00 per week - \$150.00 Initiation Fee
A member earning over \$450.00 per week - \$200.00 Initiation Fee
in dollars provided, however, that such initiation fee may be waived or reduced in connection with the organization of unorganized employees at the discretion of the Local Union Executive Board.

(C) Any member who shall be three months in arrears in the payment of dues, fines, assessments, or other charges, shall automatically stand suspended at the end of the third month and shall not be entitled to any rights or privileges of membership. Any member who has been automatically suspended for failure to pay dues and other charges shall be under a continuing obligation to pay dues during the period of his suspension. Upon payment of the delinquent dues and reinitiation fee, the member shall be restored to good standing status. However, payment of dues shall not restore good standing status if fines and other charges due are not paid. The Local Union Executive Board shall have the power to waive, or reduce, on a non-discriminatory basis, the payment of delinquent dues, assessments and/or reinitiation fees.

(D) General or Special assessments and levies may be made from time to time in the manner provided hereinafter.

(E) Any increase in the rate of dues or initiation fees or the levying of any general or special assessment by the Local Union shall be made at a general or special membership meeting in accordance with the following procedures:

- (1) Reasonable notice shall be given of the meeting at which the membership will consider the question of whether or not such dues, initiation, or reinstatement fees, general or special assessment shall be increased or levied. The notice shall indicate that proposed increase or assessment is to be voted on.
- (2) At the meeting called as provided in this Section, voting shall be by secret ballot of the members in good standing.

- (3) A majority vote by secret ballot of the members in good standing voting at such meeting shall decide the issue.
- (4) This provision supersedes Section 29 (Amendments) with respect to changing the dues and fees set forth in these Bylaws.
- (5) Nothing contained in Section 18(E) of these bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote on issues involving dues, fees, or assessments be conducted by mail ballot referendum after appropriate notice and with safeguards for preserving the secrecy of the balloting.

SECTION 19

MEETINGS

Membership meetings shall be general or special.

(A) General Membership Meetings

- (1) General membership meetings shall be held monthly at such place and time as shall be designated by the Local Union Executive Board subject to disapproval by the membership. The time and place of meeting in effect when these Bylaws are adopted shall continue until changed by the Local Union Executive Board upon reasonable and adequate notice to the membership. Membership meetings may be suspended during

any three months between June and October by action of the membership at a meeting after reasonable notice of the intention to vote upon such question.

- (2) Members in attendance at membership meetings shall have the right to express their views, arguments or opinions upon any business properly before the meeting subject to these Bylaws and the rules and regulations adopted by the Local Union Executive Board pertaining to the conduct of meetings, but no member in exercising such rights shall evade or avoid his responsibility to the organization as an institution or engage in or instigate any conduct which would interfere with the Local Union's performance of its legal or contractual obligations.

If it should appear to the presiding Chairman that any member is so conducting himself to constitute a threat to the orderly conduct of the business of the meeting, he may order him ejected, subject to appeal to the membership.

At any time when in the judgment of the presiding Chairman of the meeting it appears that the meeting has become so disorderly as to prevent proper deliberation on the matters which might properly come before the meeting, the presiding Chairman shall have the right to adjourn such meeting forthwith, upon his own motion, and without second, and even though there may be other motions upon the floor. There shall be no

appeal from such action since it is taken as a result of conditions which would prevent orderly consideration of the appeal by the meeting.

If such action is taken by the presiding Chairman, the time and place for a subsequent meeting, if there is to be one, shall be determined by the Local Union Executive Board. If no such determination is made, then the next meeting shall be the next regularly scheduled meeting.

If presiding Chairman can detail members or other person to remove persons who have been ordered removed, or to prevent attendance of members who are "under the influence" or disorderly without calling upon the police.

The rights of members to attend meetings, to remain in such meetings or to participate in matters which come before such meetings are subject to the above powers and duties of the presiding Chairman and of the Local Union Executive Board.

- (3) The Local Union Executive Board is authorized to permit membership meetings to be held on a division, craft, place of employment or other similar basis as it shall consider appropriate considering the special needs of the organization so as to permit the membership to attend meetings and to express their views and otherwise exercise their rights as members. There shall be no limitation on the right of any member to be heard at any

such separate meeting provided herein on all matters which apply to the general membership, but such member shall be permitted to vote only at such separate division, craft or place of employment meeting to which he has been assigned. Membership meetings permitted under this subsection shall be subject to all of the requirements of subsections (A)(1) and (2) above.

- (4) When the Local Union Executive Board authorizes such meeting by division, craft, or place of employment, each such meeting shall be conducted by the officers of the Local Union or by their designees and under the same procedures and rules as a general membership meeting, excepting only special meetings for limited purposes such as voting on contracts or strikes, handling of grievances, etc.
- (5) On all matters which apply to general membership, the votes of the meeting of each particular division, craft or place of employment shall be totaled to determine the action of the Local Union in such matter.
- (6) Members at each separate division, craft or place of employment authorized to hold separate meetings may nominate candidates from their or any other division, craft or place of employment for election to Union office; may vote separately on initiation fee, dues and assessments which apply to them alone, if higher than the minimum applicable to the general membership; and may, when authorized by the Local Union Executive Board,

vote separately on approval or disapproval of, or on matters arising under, contracts applicable only to them, and strikes or other activities in which only they will participate.

(B) Special Meetings

Twenty percent (20 %) of the members in good standing of the Local Union may submit a written petition for a special meeting to the President of the Local Union, setting forth the reasons therefor, and the President shall call the special meeting within a reasonable time. If the Local comprises employees of more than one employer, then no more than half of such twenty percent (20 %) shall be from the same employer. If the President does not call such meeting, the Local Union Executive Board shall call such meetings within fifteen (15) days of the original petition. The President may, on his own motion, call a special meeting. Reasonable notice of the date, time and place of any special meeting, and of the questions to be presented, shall be given the membership.

(C) Quorum

The quorum of a general or special membership meeting shall be fifteen (15). The Local Union Executive Board shall establish the number constituting the quorum for division, craft or place of employment meetings.

(D) Referendum

When a referendum is authorized by the Local Union Executive Board, reasonable notice shall be given by the Secretary-Treasurer of the time, date, place and question upon which the referendum is to be held. In a referendum, only members affected shall be permitted to vote concern-

ing matters not affecting the entire membership. The Local Union Executive Board shall, at least ten (10) days in advance of the referendum, adopt rules and regulations for the conduct of the referendum.

(E) Subject to the provisions of Article VI, Section I(h) of the International Constitution, every member eligible to vote in an election under Section 17(c)(1) shall be eligible to vote in a referendum, except that members who are on layoff but who retain seniority at a company may vote on proposed collective bargaining agreement which affect them even if they are inactive by virtue of having taken a withdrawal card.

SECTION 20

MEMBERSHIP

(A) An applicant shall be considered a member when he shall meet all the following requirements for membership:

- (1) He shall have executed a written application for membership on a form provided by the Secretary-Treasurer.
- (2) He shall have signed a dues checkoff authorization permitting the initiation fee to be withheld from earnings. If no dues checkoff authorization is signed, membership shall date from the first month for which dues are paid, once full payment of the initiation fee is completed. Or, he shall have tendered the initiation fee and one month's dues by cash.

- (3) The Local Union shall have accepted his application and dues.
- (4) He shall have taken the oath of obligation as a member at a regular meeting following the action upon his application, unless dispensed with by the Local Union by policy or practice; provided however, that no applicant shall become a member in the first ten days following the filing of his written application. In the event the applicant shall fail to take the obligation within a reasonable time following the acceptance of his application, he shall forfeit the monies tendered except for good cause shown.
- (5) The first money received from an applicant for membership must be applied to the payment of dues for the month in which the applicant is first obligated to pay dues. If this Local Union permits an applicant to pay an initiation fee on a deferred basis, the installment payments must be allocated to first satisfy the members' dues obligation. Membership for new members shall date from the first month for which dues are paid once full payment of the initiation fee is completed. All new members presenting themselves for initiation shall receive upon request a free copy of the International Constitution and Local Union Bylaws from the Local Union. However, any alleged failure to receive such copy shall not excuse a member from violation of any duty or obligation imposed upon him by his oath of office, initiation or membership.

(B) Good Standing

- (1) A member shall lose his good standing membership in the organization by acceptance of a withdrawal card, by suspension or expulsion from membership after appropriate proceedings consistent with the Bylaws or the Constitution, or by nonpayment of dues on or before the last business day of the current month. Members whose dues have been withheld by their employer pursuant to a voluntary checkoff agreement shall not be declared in bad standing merely because the employers fails to remit checkoff dues to the Local Union on or before the last business day of the month. Payment of dues to an officer or steward authorized by this Local Union to collect such dues shall be deemed payment to the Local Union.
- (2) A member in a suspended status because of his failure to pay his dues or other obligations as required by the International Constitution and these Bylaws may reinstate his good standing by the payment of all delinquent dues and other financial obligations.

(C) Issuances of Transfer and Withdrawal Cards

- (1) The issuance of transfer cards must be handled in strict compliance with Article XVIII, Sections I and 2 of the International Constitution. The acceptance of transfer cards must be in accordance with the provisions of Article XVIII, Sections 3 and 4. The jurisdiction to issue honorable withdrawal cards must be handled in strict compliance with Article XVIII, Sections 6 and 7 of the International Constitution.

(2) When the Local Union is required to give to a member an honorable withdrawal card under the terms of the International Constitution and its Bylaws it may provide for the continuance of Local Union benefits to such inactive member under conditions which it may set forth, but such inactive member shall not be permitted to hold office or vote, and shall have only such right to participate in the meetings and the affairs of the Local Union as shall be uniformly permitted by the Local Union Executive Board.

(3) A withdrawal card shall be issued to any member, including a Local Union officer, who has retired, except that a member who continues to work at the craft, excluding employment with his Local Union, shall be required to retain active membership.

(D) Upon the approval of these Bylaws by the General President, supervisory employees and such other classifications as the Local Union Executive Board may lawfully determine, shall take no part on committees selected to negotiate wages and working conditions with employers, and shall not be permitted to vote on any such agreement or on any vote to strike or take other action with respect to the agreement to which they may be subject or parties. Supervisory employees shall not be permitted to hold office unless permitted by federal, state, local or provincial law.

(E) Responsibility of Members to the Local Union

(1) Every member by virtue of his membership in this Local Union is obligated to abide by these Bylaws and the International Constitution with

respect to his rights, duties, privileges and immunities conferred by them. Each member shall faithfully carry out such duties and obligations and shall not interfere with the rights of fellow members.

- (2) Every member, by virtue of his membership in the Local Union, authorizes his Local Union to act in his exclusive bargaining representative with full and exclusive power to execute agreements with his employer governing terms and conditions of employment and to act for him and have final authority in presenting, processing and adjusting any grievance, difficulty, or dispute arising under any collective bargaining agreement or out of his employment with such employer in such manner as the Local Union or its officers deem to be in the best interests of the Local Union, all subject to Article XII and other applicable provisions of the International Constitution relating to such matters. The Local Union and its officers, business representatives and agents may decline to process any grievance, complaint, difficulty or dispute if in their reasonable judgment such grievance, complaint or dispute lacks merit. The provisions of Article XII, Section 2 relating to area, multi-area, multi-employer, national company-wide or industry-wide contracts shall supersede any provision of this Section.
- (3) No member shall interfere with the elected officers or business agents of this organization in the performance of their duties, and each member shall

when requested, render such assistance and support in the performance of such duties as may be required by them, provided that this does not interfere with the individual rights of members. Each member and officer shall adhere to the terms and conditions of pertinent collective bargaining agreements and shall refrain from any conduct that would interfere with the performance by this Local Union of its legal or contractual obligations.

- (4) No member shall engage in dual unionism or espouse dual unionism or disaffiliation, or be a party to any activity to secure the disestablishment of the Local Union as the collective bargaining agent for any employee.
- (5) No member shall be permitted at any Union meeting or assembly to engage in any of the conduct hereinbefore described.
- (6) Every member shall follow the rules of order at all meetings of the Local Union.
- (7) Membership in this Local Union shall not vest any member thereof with right, title or interest in or to the funds, property or other assets belonging to the Local Union now or hereafter and no member shall have a property right to membership in this organization.
- (8) No member seeking to resign from membership in any Local Union may do so except by submit-

ting such resignation in writing to the Secretary-Treasurer of the Local Union. Any member who resigns before he has paid all dues, assessments, fines and other financial obligations owing to any subordinate body shall be obligated to pay such obligations to his former Local Union. All members acknowledge that any obligations owing at the time of resignation shall be collectible by the Local Union in any appropriate forum. This shall not relieve any member of any obligation to comply with any other provision of this Constitution regarding acquisition or maintenance of membership in good standing.

(F) Rights of Members in Good Standing

No provision of these Bylaws, rule of parliamentary procedure or action by the Local Union or its officers shall be administered in any way as to deprive individual members of their rights under applicable law and the following membership rights:

- (1) the right to nominate candidates or vote in elections or referendums of the Union;
- (2) the right to attend membership meetings, and to participate in the deliberation and voting upon the business of such meetings;
- (3) the right to meet and assemble freely with other members and to express any views, arguments, or opinions, and to express at meetings views upon candidates in an election of the Union or upon any business properly before the meeting,

subject to the organization's established and reasonable rules;

- (4) the right to information concerning the conduct of the Local Union business; and
- (5) the right to institute an action in any court or in a proceeding before any administrative agency, irrespective of whether the Local Union or its officers are defendants in the action, or to appear as a witness in a judicial, administrative or legislative proceeding, or to petition any legislator, subject to the exhaustion of intraunion remedies as required by the International Constitution and applicable law.
- (6) For the purpose of Section 20(F) only, the term "meeting" includes any public meeting to which members of the Local Union are invited.
- (7) All the rights of members set forth in Section 20(F) shall be subject to reasonable application and subject to the right of the Local Union to impose reasonable limitations upon the exercise of these rights by members.

SECTION 21

CHARGES AND TRIALS

(A) Each member of this Union shall have the right to fair treatment in the application of union rules and law in accordance with the International Constitution and these Bylaws. In applying the rules and procedures relating to union discipline, the essential requirements of due process of law (notice, hearing, and judgment based upon the evidence) shall be observed, without, however, requiring the technical formality followed in courts of law. Recognizing that these requirements of fairness and due process of law will be administered by groups of laboring men and women, this Local Union adopts the following procedures which supplement the requirements of Article XIX of the International Constitution. The following procedural guides are designed to attain justice both to the individual member and the organization, and in instances where deviations from such procedures are not such as to substantially affect the members substantive right, these procedures are not to constitute technically precise requirements of strict pleadings of courts of law.

(B) Trials and Appeals

(1) Trial. Every member charged with a violation of these Bylaws or the International Constitution shall be accorded a full and fair hearing as required by law. No member of the Local Union Executive Board involved in the subject matter of the charge, shall sit on the trial board. The decision on disqualification under this provision, if raised by an interested party, shall be made in the

first instance by majority vote of the Local Union Executive Board, whose decision shall be appealable as part of the case, in accordance with the appeal procedure of the International Constitution and these Bylaws. The officer alleged to be involved shall not vote on whether he is qualified to remain on the hearing panel. If the member charged or preferring the charges is a member of the Local Union Executive Board, or if a member of the Local Union Executive Board is unable to attend the hearing for any reason, then the principal executive officer of the Local Union shall appoint an uninvolved member as a substitute. If either the President or Secretary-Treasurer of the Local Union is charged or is preferring the charges, or is unable to attend the hearing for any reason, the other officer shall appoint the substitute. If both the President and Secretary-Treasurer of the Local are charged or are preferring the charges, or for any reason are unable to attend the hearing, the remaining members of the Local Union Executive Board shall appoint the substitutes. Charges by, against or involving a majority of the members of a Local Union Executive Board shall be filed with the Secretary-Treasurer of the Joint Council for trial by the Joint Council Executive Board.

In no event shall any involved officer or member serve on a hearing panel, participate in the selection of a substitute member of a hearing panel, or participate in the decision making process of the trial body.

Whenever the words "Joint Council" appear in other sections of these Bylaws, they shall mean Joint Council or State or Multi-State Joint Council and include State or Multi-State Joint Council and include State or Multi-State Conferences in all matters relating to disputes and appeals where there is no chartered Joint Council.

- (2) **Charges.** Charges shall be in writing and signed by those filing same and must be filed in duplicate with the Secretary-Treasurer of the body which is to hear the charges, who shall serve the charges and notice of the hearing upon the accused either in person or by mail at least ten (10) days prior to the hearing. No hearing on any appeal shall be held less than ten (10) days from the date on which notice of the hearing has been served on the parties unless all parties agree to waive this requirement. In scheduling the time and place of the hearing, due consideration shall be given to the convenience of the accused and witnesses necessary in the case. The charges must set forth the provisions of the International Constitution or these Bylaws allegedly violated and the acts which allegedly constitute such violation in sufficient detail to inform the accused of the offense charged, including, where possible, dates and places. If charges are filed, the charging party must include in the charges all alleged offenses of which he has knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges.

He may not subsequently file additional charges based upon facts of which he had knowledge or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. Any charge based upon alleged misconduct which occurred more than five years before the discovery of the conduct giving rise to the charge is barred and shall be rejected by the Secretary-Treasurer except charges based upon the non-payment of dues, assessments and other financial obligations. No member or officer shall be required to stand trial on charges involving the same set of facts as to which he is facing criminal or civil trial until his final court appeal has been concluded. Nor shall a member or officer be required to stand trial on charges that are substantially the same as arise under the same circumstances as prior internal Union charges against such member or officer provided that a decision was rendered on those prior charges. Charges may be preferred against a suspended member or an inactive member who has been issued a withdrawal card.

- (3) In the event of a non-compliance with the decision handed down by a trial or appellate body, the member, elected Business Agent, Officer or Local Union shall stand suspended from rights and privileges under the International Constitution until the provisions of the decision have been complied with, unless the General President has waived payment of a fine or stayed the effectiveness of the decision pending appeal.

If, however, the decision carries with it an order of expulsion, then such order of expulsion shall immediately take effect, unless the General President has stayed the effectiveness of the decision pending appeal.

(4) Rights of the Accused. Throughout the proceeding, there shall be a presumption of innocence in favor of the accused. In order to be sustained, the charges must be supported by a preponderance of reliable evidence and a majority of the members of the panel must vote to find the charged party guilty. The accused shall have the right to present his own evidence, rebut testimony against him, present witnesses favorable to him and cross-examine adverse witnesses. The charging party, the accused and the Local Union Executive Board may select only a member in good standing of the Local Union to represent them at a hearing conducted before any trial or appellate body. Witnesses need not be members of the Union. The hearings shall be open to other members, subject to the discretion of the Local Union Executive Board in maintaining order and in excluding witnesses except when testifying.

(5) Action by the Local Union Executive Board. The Local Union Executive Board shall have the authority to determine the manner of reporting the hearings and shall have authority to exclude any method not authorized by it. Any request by a party that a verbatim record be made must be received by the Executive Board not later than five

(5) business days prior to the scheduled commencement of the hearing and shall be honored. If the Local Union Executive Board decides to have a transcript or recording of the hearing made, the Local Union Executive Board shall furnish a copy of the same to the accused and to other interested parties upon payment of the cost for same, or shall make such copy available to any interested party for copying or consultation without cost.

(6) **Appeals.** shall be taken pursuant to the provisions of Article XIX of the International Constitution.

SECTION 22

BONDING

(A) Every officer, agent, employee, other representative of this Local Union or shop steward who handles funds or other property of this organization shall be bonded in accordance with the requirements of the International Constitution and applicable statute. The amount of bond required of each person shall be ascertained by the Local Union Executive Board, and the premium charges shall be paid out of the general funds of the Local Union.

(B) If the Local Union Executive Board, in its sole judgment, believes that it would be to the advantage of this organization to join with the International and/or any or all of its subordinate bodies or affiliated Local Unions in obtaining a bond or bonds covering persons in this Local Union and such other organizations under a bond or bonds

issued to said International Union or other subordinate body, then, in such event the Local Union Executive Board is authorized and empowered to enter into such arrangements and pay from the general funds of this Local Union, but such surety coverage shall conform to the requirements set forth in Section 22(A).

(C) Should the bond of any person required to be bonded be canceled after surety coverages has been afforded, then such person shall be allowed thirty (30) days within which to arrange either for reinstatement of his coverage or the substitution of another bond meeting the requirements of Section 22(A) to take the place of the canceled bond. However, during the period such person or a new officer is not covered by such surety bond, the Local Union Executive Board shall make whatever arrangements shall be necessary to relieve such person of the handling of any money or property of the Local Union.

(D) If an employee or officer referred to in Section 22(C) cannot within thirty (30) days provide the surety bond required in conformity with the provisions of Section 22(A), the Local Union Executive Board shall be authorized and empowered to permit him to remain in his office or position under such arrangements as it may consider reasonable, but shall not require or permit him to handle any of the money or control any of the property of the Local Union.

SECTION 23

Rule 2. The Chairman of the meeting shall enforce these rules and regulations and may direct that members be removed from the meeting at any time.

The following motions shall have precedence in the following order: first, to adjourn; second, to close debate; third, to take up the previous question; fourth, to lay on the table; fifth, to postpone indefinitely; sixth, to postpone to a definite time; seventh, to refer; eighth, to amend. Rule 19. The motion to close debate may be made by two (2) members, and shall be put in this form: "Shall the debate now close?" If adopted, the President shall proceed to take up the question before the membership, according to priority, without further debate.

After he has risen, no member shall be permitted to speak further upon it.

Rule 25. When the presiding Chairman has commenced taking the vote, no further debate or remarks shall be allowed, unless a mistake had been made, in which case the mistake shall be rectified and the presiding Chairman shall recommence taking the vote.

SECTION 24

STANDING COMMITTEES

The Standing Committees of this Local Union may include Committees on Bylaws, Political Action and Legislation, Finance and Organization, Application, Unemployment, Grievance and Benefits, and such committees shall perform such duties and functions and shall be assigned to them from time to time by the Local Union Executive Board.

SECTION 25

INTERNATIONAL CONSTITUTION

The Local Union acknowledges that the Constitution of the International Brotherhood of Teamsters, supersedes any provision of these Bylaws herewith and hereinafter adopted which may be inconsistent with such Constitution. The Local Union hereby re-adopts, as its Constitution, such International Constitution, and incorporates herein by reference, as though fully set forth herein, all such provisions of

such Constitution, as it may be interpreted, modified or amended from time to time, which are applicable to Local Union matters and affairs, and shall perform all the duties imposed upon a Local Union by such Constitution.

These Bylaws are subject to the Constitution and Bylaws of the International Brotherhood of Teamsters and applicable Conference and Joint Council Bylaws.

Neither this Local Union, nor any of its officers, business representatives or employees, has the power to make any contract or agreement or to incur any liability which shall be binding upon the International Union or any of its affiliates other than this Local Union unless the written consent of the governing body or executive officer thereof has first been obtained authorizing such action. Neither this Local Union or any of its officers, representatives or employees has been authorized or empowered to act as an agent of the International Union or any of its affiliated bodies and shall not be deemed an agent for any such body unless expressly authorized in writing by the governing body of such body to act in that capacity. No agreement or contract shall be binding upon this Local Union unless executed and delivered by its duly authorized officers, and a contract or agreement for personal service shall not be binding beyond the expiration of the term of the Executive Board at the time such contract or agreement is made. This shall not prevent a Local Union Executive Board from entering into a bona fide collective bargaining agreement with another union covering Local Union employees, subject to the requirements of Article XXII, Section 2(b) of the International Constitution.

SECTION 26

LOCAL UNION PROPERTY

No property of the Local Union, and no property in the possession, custody or control of this Local Union or any of its officers, representatives or employees and no property held in trust by any trustee for and in behalf of this Local Union, expressed or implied, which was created or established by this Local Union itself, or the members of the Local Union or their beneficiaries, shall be given contributed, donated or appropriated, either directly or indirectly, to aid or assist or be expended in behalf of any seceding, dual or antagonistic labor organization or group, nor to any Local Union which is acting in violation of the Constitution of the International.

SECTION 27

NEGOTIATIONS, RATIFICATION OF AGREEMENTS, STRIKES AND LOCKOUTS

(A) Whenever a collective bargaining agreement is about to negotiated, modified or extended at the request of this Local Union, the principal executive officer shall call a meeting at which membership shall determine and authorize the bargaining demands to be made. The Local Union Executive Board shall determine whether such meeting shall be limited to the members in a particular division, craft or place of employment. Where this Local Union is a participant in an area-wide agreement, it is understood that the bargaining demands of the Local Union may be accepted, modified, or rejected by the overall negotiation committee

in accordance with such rules and procedures as may be adopted by the area-wide, conference-wide or national bargaining group.

(B) The Secretary-Treasurer shall submit to Joint Council 16 two (2) copies of all proposed collective bargaining agreements with a company in an industry in which there is an area standard established by pre-existing agreements or amendments thereto, or where otherwise directed to do so by the Joint Council, for approval before submission to the employer. If no Joint Council exists, such proposals shall be submitted to the State Conference for its approval. In those cases where the proposed agreement is for operations which are already subject to an area-wide agreement, or a prospective area-wide agreement is already planned, the proposed agreement shall be submitted to the Director of the appropriate Trade Conference or Division for approval before submission to the employer.

(C) Ratification of agreements or amendments shall be subject to vote in the same manner as provided for in connection with bargaining demands as set forth in Section 27(A), or in the case of area-wide, conference-wide or national agreements in accordance with the Constitution and rules adopted by such bargaining group, except that where the General Executive Board has directed the Local Union to refrain from executing such agreement, no proposed agreement shall be considered ratified by any vote until and unless it is specifically approved by the General Executive Board. True copies of the final agreements arrived at by the Local Union shall be filed by the Secretary-Treasurer with the Economic and Contracts Departments of the International Union within sixty (60)

days after execution, together with a list of the names and locations of employers and number of employees covered by such agreements. The Secretary-Treasurer shall, as of January first of each year submit to the Economic and Contracts Departments of the International Union a list of agreements in effect, showing the name of the employer or employers, parties thereto, location or locations, and the expiration date.

(D) If a settlement cannot be reached in connection with the negotiation or modification of a collective bargaining agreement between the members of this Local Union and an employer after the officers have used reasonable means of achieving a settlement through a process of collective bargaining, the matter shall be subject to the strike procedure, conditions and qualifications set forth in the Constitution. The Local Union Executive Board may, in its discretion, provide that the strike vote be limited to the members employed in a particular division, craft or place of employment. In such cases where area-wide, conference-wide or national agreements are involved, it is understood that the specified majorities of the members covered by such agreements must vote to strike as set forth in Article XII, Sections 1 or 2 of the Constitution, and in such event, such strike vote shall apply to this Local Union, irrespective of the individual vote of this Local Union on that question.

(E) Strike votes shall not be required in any case where a collective bargaining agreement then in existence authorizes such strike for the purpose of enforcing the terms of such agreement.

Nor shall a strike vote be required for a strike in sup-

port of demands that an employer agree to the terms and conditions of an agreement already negotiated and approved on a state, multistate, multi-area, multi-employer or national, company-wide or area basis of which unit such employer is a member. In either case, the Local Union Executive Board, subject to the approval of the General President, may call the strike in support of its position, and may also, with the approval of the General President, terminate such strike without vote.

(F) At least forty-eight (48) hours prior to a strike, and in the case of picketing, lawsuit or other serious difficulty, the Secretary-Treasurer shall immediately notify the Joint Council of which it is a member of any contemplated action as required by the Constitution.

(G) Out-of-Work benefits shall be payable to members only as provided by and in accordance with the Constitution. The Secretary-Treasurer shall be responsible for securing of such benefits where the Local Union is eligible to receive them, executing all documents required by the International Union and returning all monies to the International Union remaining unused by the Local Union at the close of the strike or lockout.

(H) Strikes which are not terminated by the conclusion of a collective bargaining agreement or by arbitration or otherwise may be terminated in such manner as the Local Union Executive Board shall determine appropriate.

SECTION 28

SAVINGS CLAUSES

(A) The provisions of this Constitution relating to the payment of dues, assessments, fines or penalties, etc., shall not be construed as incorporating into any union-security contract those requirements for good standing membership which may be in violation of applicable law, nor shall they be construed as requiring any employer to violate any applicable law. However, all such financial obligations imposed by or under this Constitution and Local Union Bylaws (and in conformity therewith) shall be legal obligations of the members upon whom imposed and enforceable in a court of law.

The General Executive Board is authorized to adopt any plan or arrangement relating to such requirements and obligations which may be imposed by applicable law.

(B) If any provision of these Bylaws shall be declared invalid or inoperative by any competent authority of the executive, judicial, or administrative branch of federal or state government, the Local Union Executive Board shall have the authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place and stead a provision which will meet the objections to its validity and which will be in accord with the intent and purpose of the invalid provision. If any section or subsection of these Bylaws should be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of these Bylaws or the application of such section or subsection to persons or circumstances other than those to which it has been held invalid, shall not be affected thereby.

(C) Where used in these Bylaws, words in the masculine also shall be read and construed as in the feminine in all cases where such construction would so apply.

SECTION 29

AMENDMENTS

(A) Proposed amendments to the Bylaws shall be submitted in writing at the first regular annual meeting of the Local Union each year upon initiation either by petition of seven (7) members in good standing, or by resolution of the Local Union Executive Board. Under no circumstances may these Bylaws be amended during a term of office to affect or modify the powers and duties of the incumbent officers or elected business agents. Such amendments may be made effective until only as of the beginning of the next term of office.

(B) The proposed amendments shall then be read at two (2) consecutive regular meetings of the membership or at two (2) consecutive division, craft or place of employment or similar meetings. (If the Local Union Executive Board has determined that membership meetings be conducted on such proposed amendments, two-thirds (2/3) vote of the members in good standing voting at such meeting shall be required for passage.)

(C) Amendments to these Bylaws are subject to the approval of the General President, as provided in Article VI, Section 4 of the International Constitution and shall not be effective until such approval has been given.

D) Nothing contained in Section 29 of these Bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote be conducted by mail referendum after appropriate notice and with safeguards to ensure the integrity of the balloting.

SECTION 30

SECTION 31

The fiscal year of this organization shall commence on the first (1st) day of January.

EXHIBIT C

Negotiations Update

The parties met on May 7th in Las Vegas. The purpose of the meeting was to prepare a report for mediator McGuckin on the parties' respective table positions from last November. In discussing the positions, it became clear that a further meeting was warranted with a few subject matter experts. Accordingly the parties agreed to a small committee meeting May 28th and 29th in Chicago.

In attendance for the Union will be our economist Dan Akins and several Business Agents along with Clacy Griswold and Bob Fisher from the Airline Division. It is expected that the full steering committee will meet in late July or early August to review what has transpired to this point and to discuss moving forward. As previously reported the first mediated session is scheduled for the week of August 18th.

Arbitration Schedule

The outsourcing arbitration case that was scheduled to be heard on the 14th of May has been postponed. A new date is currently being scheduled.

The remainder of the sub CAL medical arbitration case is now scheduled to be heard August 5th and 6th. It is hoped that the case will conclude with this session given that there are two days set aside to hear the issues.

The remainder of the sub UA medical arbitration is now scheduled to be heard on September 8th.

The schedule for the continuation of the resource utilization letter is not yet confirmed but it will be reported in the Dispatch when known.

Airline Division Advisory Board Meets

On May 6th, the AD Advisory Board met in Las Vegas. The meeting was chaired by Chairman George Miranda. Reports were given on all current negotiations the Division is currently involved with.
