

## AMR 5 Year Techs = \$14.99 MORE AN HOUR

A 5 Year American Airlines Technician Earns **\$14.99 an hour MORE** in their Base Rate THAN A 5 Year IBT United Technician. Think about it \$15 DOLLARS MORE AN HOUR. The Teamsters and their Industry Reset will keep you at the bottom of the Industry FOREVER.

5 Year American Airlines Technician  
Hourly Base Rate.

**\$47.95**

5 Year United Airlines IBT Technician  
Hourly Base Rate.

**\$32.96**

We will let you think about that for a while...the Teamsters and their Negotiators have destroyed the contract at United Airlines, outsourced our work overseas and furloughed over a thousand Techs at the SFO MOC alone.
